SAFE DRINKING WATER AND SANITARY CERTIFICATE

This is to certify that, I have inspected the school building and premises of Oasis Public School, (CBSE-Senior Secondary) located in Survey No. 28 of Deshaipet Village, Warangal Mandal, Warangal (Urban) District, on dated: 23-07-2021. It is noticed that the accommodation provided for each of the several classes is sufficient for the maximum members of the pupils taught there in and is properly ventilated and lighted. The School building is properly constructed and it is kept neat and clean, that the toilets arrangements are adequate and satisfactory.

The school has Safe Drinking Water facilities for the students and members of staff of the institution and is maintaining the hygienic Sanitation conditions in the School building and the campus as per the norms prescribed by the Government.
